Bácsai út szaksz

Bácsai út szaksz

This detailed cadastral map illustrates the urban layout and planning regulations for a specific area. Key features include:

- Building Footprints and Lot Numbers:** Numerous individual lots are shown with their respective numbers, ranging from 13072 to 13089 along one edge and 12965 to 12999 along another.
- Planning Codes and Zones:** Various codes are assigned to different areas, such as 02261, 02262, 02266, and 03984. These likely correspond to specific land-use or zoning categories.
- Streets and Infrastructure:** Major streets like Kalapács utca and Dombhát utca are clearly marked. Utility lines and other infrastructure are also depicted.
- Technical Details:** The map includes boundary lines, zoning indicators (like ZS), and other technical specifications relevant to land management.
